Your program status is changing – this may affect what you pay

The **{{CLIENT NAME}}** prescription drug plan requires participation in the **CVS Weight Management™ program**. As of **{{EFFECTIVEDATE}}**, you have not met the minimum program participation requirement for the program. As a result, based on your benefits plan requirements, you'll need to pay the entire cost of the **{{APPROVEDDRUG}}** medication, and it may not count towards your deductible or out-of-pocket maximum.*

We're here to help

If you have any program questions or want to re-engage in the CVS Weight Management program, please call **1-800-207-2208 (TTY: 711)** from 8 AM to 8 PM Monday-Friday or from 9 AM to 4 PM on Saturday.

* For members enrolled in qualified high-deductible health plans with health savings accounts, member cost will count towards deductible and out-of-pocket maximum.
